### TRADE, EXHIBIT AND EVENT CENTER

Trade, Exhibit and Event Center under Construction in Downtown Augusta - Construction has started on a Trade, Exhibit and Event Center (TEE) in downtown Augusta. The \$38 million facility is being built on a site on Reynolds Street adjacent to the existing riverfront convention center. The project includes both new construction and adaptive reuse of an existing warehouse. The center will feature 40,000 square feet of exhibit space, 29,000 square feet of pre-function space and can be expanded if necessary. The Augusta Convention and Visitors Bureau has started a marketing campaign to attract events for the TEE Center when it opens in the spring of 2012. A \$10 million, 400-space parking deck will be built across Reynolds Street from the TEE Center. For more information about the TEE Center go to [www.augustaga.org](http://www.augustaga.org) or contact the Augusta Convention and Visitors Bureau at 1-800-726-0243.
